*Proceedings of the Madras Government, Revenue Department,
30th November 1874.*

No. 177. Read the following letter from W. McQUHAE, Esq., Collector of Madura, to the Hon. D. F. CARMICHAEL, Acting Chief Secretary to Government, Fort St. George, dated Pulni, 27th October 1874, No. 1,911:—

I HAVE the honor to submit, for the orders of Government, copy of a letter from the Sub-Collector, dated 16th October 1874, No. 424, reporting on a petition from Beema Row, pensioned Taluq Sheristadar of Dindigul, praying for payment to him either of full pay or half pay for five months and twenty-two days during which he drew no allowance under the following circumstances.

2. On November 1st, 1871, Beema Row attained fifty-five years of age. The Sub-Collector under an impression that the "fifty-five years' rule" was peremptory, ordered him to retire and recommended the grant of a pension equal to one-third of his pay as he had not then completed twenty-five years' service in qualifying grades; but on an appeal made by Beema Row, the Government in G. O., dated 9th April 1872, No. 581, Revenue Department, directed his restoration to the appointment of Taluq Sheristadar to enable him to serve out his time for a full pension of Rupees 30, which was subsequently granted him by G. O., dated 9th May last, No. 259. He was thus unemployed from 1st November 1871 to 22nd April 1872, and drew no pay for that period.

3. Mr. Bliss recommends the payment for the above period of an allowance at the rate of Rupees 20 per mensem, being the amount of pension which Beema Row had at that time earned under the rules; but I think he is entitled to Rupees 30, the amount of pension now paid him. If he had not been ordered to retire before completing twenty-five years' service, he would have continued to serve till he became entitled to a pension of Rupees 30 a-month. The result of the mistake was that he spent five months and twenty-two days in retirement before his active service had really been completed. The mistake has cost Government nothing, for, if it had not been made, Government would have commenced to pay the pension of Rupees 30 five months and twenty-two days earlier.

No. 178. ORDER THEREON, 30th November 1874, No. 1,472.

Miscellaneous.

UNDER the circumstances stated, His Excellency the Governor in Council is pleased to sanction an allowance of

Rupees 30 a-month being paid in arrears to Beema Row for the period during which he was out of employ.

2. The Collector's letter should have been submitted through the Board of Revenue.

Sir,

I have the honor to receive a petition presented to me by Beema Row, late Cherisadar of the Dindigul Taluk, which I recommend may be forwarded for the favorable consideration of Government.

2. His case is as follows:— In 1871 the "55 years rule" came out, and as its terms seemed to me imperative I ordered Beema Row to retire from the 1st November in that year, and submitted shortly afterwards an application on his behalf for the grant of pension. At that time Beema Row had served altogether ^{Yrs} 33. ^{Mths} 6. ^{Days} 26, of which only ^{Yrs} 33. ^{Mths} 3. ^{Days} 15 were in grades qualifying for pension. He was therefore then entitled only to a pension of 1/3 his pay. In submitting the application for his pension, however, I pointed out that Beema Row wanted only ^{Yrs} 1. ^{Mths} 8. ^{Days} 15 service to get a half pay pension and stated that but for what seemed to me the imperative order of the "55 years Rule" I should have required him to retire.

3. Upon consideration of my remarks as above and of a petition put in by Beema Row, Government were pleased to order that he should be allowed to serve out the period of 1-8-15 ^{Yrs} ^{Mths} ^{Days} required

and he was accordingly reinstated in office

finally pensioned from the 18th January, 1874.
Between November 1st, 1871, and April 22nd,

The Honorable D. F. Carmichael

Sir,

I have the honor to submit for the
orders of Government, ^{copy of} a letter from the Sub Collector
dated, 16th October, 1874, No 424, reporting on
a Petition from Bema Row pensioned Tahsy
Sheristadar of Dindigul, praying for payment
to him either of full pay or half pay for 5
months and 22 days during which he drew
no allowance under the following circumstances.

2. On November 1st, 1871, Bema Row
attained 55 years of age. The Sub Collector under
an impression that the "55 years Rule" was
peremptory, ordered him to retire and re-
commended the grant of a pension equal
to one third of his pay as he had not then
completed 25 years service in qualifying
grades; but on an appeal made by
Bema Row the Government in G.O. dated
9th April 1872 No 581, Pension Department,
directed his restoration to the Appointment
of Tahsy Sheristadar to enable him to serve
out his time for a full pension of Rupees 30
which was subsequently granted him by G.O.
dated.

dated 9th May last at Rs 259. He was thus un-
employed from 1st November 1871 to 22nd
April 1872 and drew no pay for that period.

3. Mr Bliss recommends the pay-
ment for the above period of an allowance
at the rate of Rupees 20 per mensem being
the amount of pension which Bama Row
had at that time earned under the rules but
I think he is entitled to Rupees 30 the amount
of pension now paid him. If he had not
been ordered to retire before completing 25
years service he would have continued to serve
till he became entitled to a pension of Rupees
30 a month. The result of the mistake was
that he spent 5 months and 22 days in
retirement before his active service had
really been completed. The mistake has cost
Government nothing for if it had not been
made Government would have commenced
to pay the pension of Rupees 30 five months
and 22 days earlier.
