Proceedings of the Madras Government, Revenue Department,
30th November 1874.

No. 177. Read the following letter from W. McQUHAE, Esq., Collector of Madura, to the Hon. D. F. CARMICHAEL, Acting Chief Secretary to Government, Fort St. George, dated Pulni, 27th October 1874, No. 1,911:—

I HAVE the honor to submit, for the orders of Government, copy of a letter from the Sub-Collector, dated 16th October 1874, No. 424, reporting on a petition from Beema Row, pensioned Taluq Sheristadar of Dindigul, praying for payment to him either of full pay or half pay for five months and twenty-two days during which he drew no allowance under the following circumstances.

2. On November 1st, 1871, Beema Row attained fifty-five years of age. The Sub-Collector under an impression that the "fifty-five years' rule" was peremptory, ordered him to retire and recommended the grant of a pension equal to one-third of his pay as he had not then completed twenty-five years' service in qualifying grades; but on an appeal made by Beema Row, the Government in G. O., dated 9th April 1872, No. 581, Revenue Department, directed his restoration to the appointment of Taluq Sheristadar to enable him to serve out his time for a full pension of Rupees 30, which was subsequently granted him by G. O., dated 9th May last, No. 259. He was thus unemployed from 1st November 1871 to 22nd April 1872, and drew no pay for that period.

3. Mr. Bliss recommends the payment for the above period of an allowance at the rate of Rupees 20 per mensem, being the amount of pension which Beema Row had at that time earned under the rules; but I think he is entitled to Rupees 30, the amount of pension now paid him. If he had not been ordered to retire before completing twenty-five years' service, he would have continued to serve till he became entitled to a pension of Rupees 30 a-month. The result of the mistake was that he spent five months and twenty-two days in retirement before his active service had really been completed. The mistake has cost Government nothing, for, if it had not been made, Government would have commenced to pay the pension of Rupees 30 five months and twenty-two days earlier.

No. 178. ORDER THEREON, 30th November 1874, No. 1,472.

Miscellaneous.

UNDER the circumstances stated, His Excellency the Governor in Council is pleased to sanction an allowance of Rupees 30 a-month being paid in arrears to Beema Row for the period during which he was out of employ.

2. The Collector's letter should have been submitted through the Board of Revenue.

Beema Pate, late Talue Shevistadar of Dindigul.—Sanctioning the payment of an allowance of Rupees 30 a-month to—for the period during which he was out of employ.

required to entitle him to a half pay pension; and he was accordingly reinstated in office as Taluq Sheristadar of Dindigul from 23rd April 1872 and retained the same until finally pensioned from the 18th January, 1874. Between November 1st, 1871, and April 22nd, 1872 he got no pay or pension under the circumstances above stated; and he now asks that he may receive either his pay or his half pay pension for that period of 5 months and 22 days. This is more than I think he is entitled to; but I recommend that he be paid pension for that period at Rs 20 per mensem, being ½ pay, or the full amount of pension he had at that time claimed under the Rules.
