ment of India with letter of same date,
No. 149.

SIR,—This Government have recently
had under their consideration the rules
passed by them in 1872* regarding the
appointment of officers to the controlling
branch of the Forest Department, and
with the view of limiting future nomina-
tions, as far as possible, to men trained in Europe under the orders of the Secretary

been absorbed, appointments to the Department should, as a rule, be made direct from
England to the grade of 4th-Class Deputy-Conservator.

2. The sanctioned scale will permit of two officers of this grade being enter-
tained in place of the four probationers now on the establishment, and I am directed
to request the approval of the Government of India to the change.
