No. 16. Read the following Proceedings of the Board of Revenue, dated 11th November 1874, No. 3,233 :—

Read the following letter from J. H. GARSTIN, Esq., Collector of South Arcot, to J. GROSE, Esq., Secretary to the Board of Revenue, dated Cuddalore, 12th October 1874, No. 529 :—

I HAVE the honor to request the Board will favorably entertain my request to have a verandah added to the Government House in which I reside. The building is incommodious, and possesses little accommodation, though the drawing room is one of unusual size and fine proportions, and the bed-room on each side of it is large.

2. There is no means, however, of passing from one bed-room to another without going through the drawing room or outside the house; and a verandah for this purpose is much wanted.

3. The bath-rooms on the south side of the house are an unsightly excrescence on the main building, and will probably require to be rebuilt shortly, having been pronounced unsafe, and I, therefore, make the present request now, because, if the whole work is undertaken at once, it will probably cost less.

4. I must, however, inform the Board that, during the last three years, a sum of about Rupees 4,000 has been expended on repairs, etc., so that Government has already been put to considerable expense on account of this building, for which, under the circumstances detailed in Government Order of the 15th May 1871, No. 858, Revenue Department, no rent is charged me for its use, and it is placed on the footing of a Residency, with the exception, however, of not being furnished by Government.

5. I think it is possible that a verandah might be built round the southern, eastern, and northern sides of the house at a cost of Rupees 3,000, and trust the Board will move Government to order an estimate to be made of the cost of the work.

SUBMITTED for the orders of Government.

2. The Board do not think the proposed verandah at all necessary, though it would be an improvement to the house.
