111EE. Proceedings of the Madras Government in the Revenue Department dated 23th October 1873, No. 1,203.

No. 111FF. From the Officiating District Engineer, Ganjam, dated 13th December 1873, No. 45.

No. 111FF. ORDER THEREON, 5th February 1874, No. 289C.

ESTABLISHMENT, No. 6A.

14
With the particulars as to lands in Kimeddy with which Supervisor Tai Ramiah is more or less directly connected,

furnished with the first of the Revenue Department orders quoted at the head of these Proceedings, and with the details of Public Works mismanagement by him which the other two papers supply, His Excellency the Governor in Council can no longer doubt the necessity of removing Tai Ramiah from a position in which he is misplaced. In consideration of former good service, and the want of supervision from which he has suffered he will not be dismissed from the service of Government; but he will be degraded to the rank of Overseer of the 3rd grade from the date of his relief from sub-divisional charge, and forbidden employment in the Ganjam District; and it will rest with himself to find service with any other District Engineer who may have a vacancy.

2. The question of revising the present arrangements for supervision of Public Works in Kimeddy will lie over till further orders.
