Proceedings of the Madras Government, Revenue Department,
8th December 1874.

No. 94. Read the following Proceedings of the Board of Revenue, dated 28th September 1874, Miscellaneous No. 6,741:—

Read the following letter from T. KRISTNA RAU, Deputy-Collector, to W. D. HORSLEY, Esq., Collector of Cuddapah, dated Proddatoor, 30th August 1874:—

I HAVE the honor to state that when I was working in the Inam Commission as a 4th-Class Deputy-Collector, Government were pleased to appoint* me to act as, and draw the full pay of, a 3rd-Class Deputy-Collector and Assistant to the Inam Commissioner. This arrangement was then considered a temporary one, but it was virtually made permanent by my having continued to act on full pay as such, till Government were pleased to confirm† me in the higher class. Thus I have been actually a 3rd-Class Deputy-Collector with full pay from 27*th January* 1865. Further, my service has been thirty-one years at the close of 1873.

* *Vide* Enclosure, No. 1.
G. O., R. D., 27th January 1865, No. 143.

† *Vide* Enclosure, No. 2.
G. O., R. D., 20th March 1869, No. 782.

But in the annual printed list of Revenue Establishments, I find myself classed as the sixth under the 3rd-Class, and the date of my promotion to it set down as the 21*st December* 1869.

The mistake arose probably from my having remained long in the Inam Commission, but I feel I have suffered a grievance thereby, as it has affected, and is likely further to affect, the due course of my promotion.

I am senior, not only in service, but in the date of my promotion to my present grade (3rd-Class) to the five Deputy-Collectors placed ahead of me in the list.

I beg, therefore, to solicit at your hands the favor of your bringing the mistake to the notice of Government, in view to its being corrected and my proper position (first under the 3rd-Class) being allotted to me in the list.

SUBMITTED for the orders of the Board of Revenue. The Deputy-Collector's promotion to the third grade apparently dates from March 20th, 1869, and so far the revenue list may be corrected. Prior to that date he was drawing the salary of the third grade, but that cannot be allowed to hasten the date of his actual promotion. Deputy-Collectors do not appear to be placed in the list according to seniority of service and promotion.

Note. It is impossible to

comply with this request with-

out causing great confusion.

Men were employed on the

Inam Commission as Deputy

Collectors and in many cases

preverted to subordinate ap-

pointments before being brought

on the general list, while

in others they are still holding

such junior appointments.

They were temporary appoint-

ments, in fact like those which

men are now holding in some

districts on special grounds.

Service in these may be held

on the regular line but
