Read the following papers:—

No. 100. Proceedings of the Board of Revenue, dated the 3rd December 1874,  
No. 3,508, Forest No. 231.

Read the following letter from Captain C. WALKER, Officiating Inspector of  
Forests, to J. GROSE, Esq., Secretary to the Board of Revenue, dated  
Sultan's Battery, 23rd November 1874, No. 462:—

I HAVE the honor to inform you, that the Madras Government has been  
requested to permit me to visit the North Canara District of the Bombay  
Presidency during the ensuing month in order to inspect and advise Major Peyton  
regarding the saw machinery selected by me in England, which has recently  
arrived.

2. I consider it advisable that Mr. Douglas, the Deputy Conservator of  
Forests in charge of the Anamullay Range, should accompany me in order to make  
himself acquainted with the working of the machinery and enable him to form an  
opinion as regards the advisability of ordering some for use in the Anamullay Forests.

3. I have consulted the Collector of Coimbatore, who informs me that he  
“has no objections if his (Mr. Douglas,) work permits.” This can easily be  
arranged, especially as the majority of the time will be the authorized Christmas  
holidays and the working season on the Anamullays is already over.

4. I beg, therefore, to request that the Board will sanction Mr. Douglas' ~~absence from his range for one month, from the 15th December, the date on which~~  
the steamer leaves Calicut.

5. Should time permit I would also request the Board's sanction to his visit-  
ing Bombay in order to be present at the first sales of the teak consigned to  
Messrs. Nicol and Co. as an experiment and make himself generally acquainted with  
the timber market there.

6. This visit was sanctioned last year, but Mr. Douglas could not make it  
out and Major Beddome did not record much information on the subject before  
his departure for England.

7. If the Government sanction my visit I shall take care that Mr. Douglas'  
attention is directed to the points most deserving of notice both in North Canara  
and Bombay.

—  
SUBMITTED for the favorable consideration of Government.
