N^o 201

Office of Inspector of Forests
Camp. Poda Kanai Pulney
11th July 1874

From

Captain Campbell Walker
Officiating Inspector of Forests

To

C. G. Master Esquire
Acting Secretary to Government,
Revenue Department

Sir,

With reference to Official Memorandum
N^o 79 dated 30th June I have the honor to
state that I do not think it advisable
to select Collangode or Palghat as a
spot for depositing timber of the
class sent from the Anamullays which
might be purchased there would probably
find its way to the Coast, and the cost of
floating from Mungaray is so small that
we may as well undertake it and to secure
the higher rates at Ponani which would
otherwise go into the pockets of native
traders.

2. There is already a depot at
Anamullay where periodical auctions
may be held, or a certain quantity
of timber kept on sale at fixed
rates, if Mr. Douglas finds it advisable
without in any way interfering with
the

the Depot at Coimbatore which I have just arranged with the collector is to contain both Anamulley and Bolomputty timber.

3. Being on the spot I have consulted Mr. Douglas in the above points and his views coincide with mine. His arrangements are already made for carrying out the wishes of Government as expressed in Government Order No: 503 and 598 dated 24th April and 15th May respectively and it would not in any case be advisable to alter them.

I have the honor to be
Sir,

Your Most Obedient Servant

Campbell-Walker Captain,
Offg. Inspector of Forests.

Campbell

My dear Robin
You had better
let the Co. O. be the
April last. I see
the letter is by Val.
-phant should not
be the Western
Station of the
the Eastern - or one

well selected station
on the Line may let
be nice. I think
the Line has I should
be brought down from
the hills - a number
sale & better prices
may let them be
expected. For
L. O. L.

My dear Master -
Kindly sign the
matter of means - To make
- if you like - send the D.O. case
I should - I do not observe
the error (and appears to me)
in the review of the adm. Dept
and I suppose overlook
the point in the D.O. of the
Gr of 15 - Also
well
Yours
W. L. M.
