Proceedings of the Madras Government, Revenue Department, 10th December 1874.

No. 123. Read the following letter from J. BROUGHTON, Esq., Government Quinologist, to C. G. MASTER, Esq., Acting Secretary to Government, Revenue Department, Fort St. George, dated Ootacamund, 28th November 1874:—

THE delay in the submission of the Budget Estimates for my department has arisen from a belief in the necessity of awaiting the decision of Government on the report of the Sanitary Commissioner and the Commissioner of the Nilgiris respecting the Alkaloid Manufactory. It is now submitted in consequence of Dr. Cornish's recommendation. The estmates are reduced to the minimum consistently with carrying on current work and its contingencies. No new sources of expenditure or enlargement of present establishment is provided for.
