*Proceedings of the Madras Government, Revenue Department,
12th December 1874.*

No. 155. Read the following Proceedings of the Board of Revenue, dated 1st December 1874, Miscellaneous No. 8,395:—

Read the following letter from W. S. WHITESIDE, Esq., Collector of North Arcot to J. GROSE, Esq., Secretary to the Board of Revenue, dated —

1549

2nd parag. Proceedings of the Board of Revenue, dated 24th March 1874, No. 1,586, have the honor to submit, herewith, a revised statement and to be granted as Inam to the Nigantis of the Payamogum Village in the Chittoor Taluq, in lieu of a portion of the Inam which is unproductive owing to the nature of the soil which is sandy and *sondoo*, and to request that you will be good enough to obtain the sanction of the Board of Revenue for granting the said land to the Inamdar, in lieu of that rendered unfit for cultivation as stated above.

SUBMITTED for the orders of Government.

2. The Collector states that out of the Inam of 4-21, assessed at Rs. 32-1-6, 46 cents have become unfit for cultivation by being covered with sand brought in by an adjacent spring-channel, and that 96 cents are brackish soil and unfit for cultivation and have been so from the date of the grant, and he recommends that fresh lands may be granted in lieu of the same.

The Inam has been rendered unfit subsequent to the grant, but not more as it would establish a dangerous precedent. If the Government approve of this, the Collector will be requested to submit a revised statement.

Secretary.

THE present Inam is said to be wholly unproductive from causes beyond the control of the holders, and to have always been so. Under these circumstances, the best plan is to assess it, and grant a fresh Inam of such value as will be adequate remuneration for the service rendered.
