Read the following letters :—

No. 159. From Captain C. WALKER, Officiating Inspector of Forests, to C. G. MASTER, Esq., Acting Secretary to Government, Revenue Department, dated Ootacamund, 1st October 1874, No. 344.

I HAVE the honor to call the attention of His Excellency the Governor in Council to the position and claims of Mr. Brougham, a Forester of the 1st Class, who has been acting as an Assistant and Deputy Conservator in Salem since the 23rd May 1871, but has no permanent appointment in the controlling establishment.

2. Mr. Winter, for whom he is acting, originally obtained one year's leave of absence on medical certificate on the 30th January 1872, and has since had two extensions of six months each, which expired last February.

Under the U. C. S. Rules he is not entitled to any more sick leave, and I am not aware that he has obtained any further leave on private affairs from the Secretary of State ; if not, he may be considered as out of the service, in which case I beg to recommend that Mr. Brougham be brought on the strength of the 4th Class Deputies under the conditions prescribed in G. O., No. 1,003, dated 7th August 1874, as regards claims to future promotion.

3. Mr. Brougham has given great satisfaction to all under whom he has served. He entered the service as a 3rd Class Overseer in November 1864, and his permanent appointment as 1st Class Overseer bears date 1st May 1869.

I do not think it will be unjust to place him over the heads of the Probationary Assistants, as he was acting as an Assistant Conservator before any of them were appointed, and his excellent management of the Salem forests entitles him to every consideration.

No. 160. From the Accountant-General of Madras, to the Acting Secretary to Government, Revenue Department, dated Fort St. George, 23rd October 1874, No. 283.

With reference to your Memorandum, No. 124, dated 20th October 1874, I have the honor to state that the sections quoted are not applicable to Mr. H. F. Winter, as he is an Uncovenanted Officer. Under Section 15 of Supplement F. of the Civil Leave Code, Mr. Winter does not lose his lien on his appointment.

No. 161. ORDER THEREON, 12th December 1874, No. 1,551.

Forests, No. 15.

IT is observed that Mr. Winter has obtained successive extensions of leave, the last of which will not expire till the end of April 1875.

2. It also appears from the Accountant-General's letter recorded above that Mr. Winter has a lien on this appointment.

3. Mr. Brougham's permanent appointment is 1st Class Forester. The Governor in Council is not prepared to put him over the heads of the Probationary Assistants in the Department, but in consideration of his good service resolves to appoint him

to the grade of Probationer from 1st January 1875, leaving him acting in his present appointment.

4. Referring to G. O., dated 6th November 1874, No. 1,404, no further appointments to this grade will be sanctioned.
