Proceedings of the Madras Government, Revenue Department,
14th December 1874.

No. 170. Read the following Proceedings of the Board of Revenue, dated 1st December 1874, Miscellaneous No. 8,402 :—

Read the following letter from C. T. LONGLEY, Esq., Collector of Salem, to J. GROSE, Esq., Secretary to the Board of Revenue, dated 23rd November 1874, No. 440 :—

I HAVE the honor to submit, for the seal of Government, a permanent putta for a piece of land round the house built by Captain Walker of the Forest Department, adjoining the Government plantation at Nagalore on the Shervaroys.

2. It will be observed from the correspondence noted in the margin that Captain Walker applied to the Board for this block in 1869, and that on a reference to the late Collector, Government was recommended to allow a permanent putta to be granted him on his undergoing the survey expenses. This proposal was sanctioned and the land was accordingly surveyed and mapped; and as Captain Walker subsequently transferred the house in question to Mr. McMahon, the present holder, the putta now submitted has been drawn out in the name of the latter.

Government Proceedings, dated 28th September 1869, No. 2,669.
Do., do. of 29th October 1869, No. 2,890.

3. The delay in bringing this matter to an early conclusion is owing to Captain Walker's absence in Europe on leave, and to the non-receipt of a relinquishment of the land in favor of the present proprietor of the house.

ORDERED that the permanent putta, received with the foregoing letter, be submitted for the seal of Government.

2. The present proprietor's name should have been entered in the place of "Lieutenant C. Walker" in the specification of the land given in the putta. The Collector will be good enough to see that the necessary corrections are made, under his initials, both in the putta and the plan accompanying it when they are returned to him.

Secretary.

No. 171. ORDER THEREON, 14th December 1874, No. 1,557.

Land Revenue, No. 7.

ORDERED that the putta be sealed and returned.

2. The words "works" and "lands" in the last line of the penultimate paragraph above the specification should be altered respectively into *marks* and *land*, and similar alterations should be made at once in all the blank forms of the deed on hand, the Collector's initials being attached to the alterations in each instance.

(True Extract.)

(Signed) C. C. MASTER,
Acting Secretary to Government.

To the Board of Revenue, with putta.
