FORT ST. GEORGE,
16th *December* 1874.

No. 1,553.

No. 202.

To

THE SECRETARY TO THE GOVERNMENT OF INDIA,
FINANCIAL DEPARTMENT.

Miscellaneous.

SIR,—With reference to your letter, dated 31st January 1874, No. 752, I am directed to inform you that of the ten temporary Deputy-Collectors now employed in this Presidency the four engaged in assisting the permanent staff of Revenue Officers in transacting the *ordinary* business of the districts will be dispensed with from the 1st proximo, and the enclosed copy of the Proceedings of this Government of this day's date, No. 1,572, will show the steps taken to prevent the employment of such officers again on similar duties. Four Assistants have recently joined this Presidency, and as fifteen more are expected in 1875 and 1876, this Government do not consider it expedient to add to their number by borrowing the services of Bombay Covenanted Officers.

2. But the Government are unable to dispense with the remaining six men who are employed in *special* and *extraordinary* duties. Three are engaged in work connected with the transfer of lands required for the Railways in progress; one in settling compensation for lands taken for Public Works in Nellore during several years; one in assisting the Collector in the same district in restoring communications and inspecting crops destroyed by recent disastrous floods in that district; and one in Kurnool in superintending (in addition to other duties) the introduction of irrigation in lands under the influence of the Irrigation and Canal Company's Canal. These are duties which cannot be performed by the ordinary officers of the district without considerable detriment to their own work, which cannot be properly carried out by young Assistants even if they were available. Under these circumstances, I am to request sanction for the employment of two of these men during the year 1875. The progress made by each will be carefully watched, and their services dispensed with when no longer required.

3. The sixth officer is required permanently owing to the insufficiency of the present number of Deputy-Collectors, viz., five. This number was fixed in 1862, but the operations of the Irrigation and Canal Company have since then entail considerable additional and special work on the Revenue Officers of Kurnool, which could not have been foreseen in 1862, and it has been found absolutely necessary since 1866 to give a second Deputy-Collector to that district. This addition of the allotment weakened the staff in other districts, and I am therefore directed to solicit sanction to add one more Deputy-Collector on the salary of Rs. 250 per mensem with the necessary establishment.

4. The tabular statement in the prescribed form is submitted.

I have the honor to be,
Sir,
Your most obedient servant,
(Signed) C. G. MASTER,
Acting Secretary to Government.
