*Proceedings of the Madras Government, Revenue Department,
16th December 1874.*

No. 207. Read the following Proceedings of the Board of Revenue, dated 23rd November 1874, No. 3,357, Forest No. 218:—

Read again Board's Proceedings, 29th July 1874, No. 2,000.

Read also the following letter from Captain C. WALKER, Officiating Inspector of Forests, to J. GROSE, Esq., Secretary to the Board of Revenue, dated Ootacamund, 14th October 1874, No. 309.

With reference to Proceedings, under date, 29th July 1874, I have the honor to report that the land referred to has been carefully inspected by Mr. Ross, (Deputy Conservator of Forests) who states that there are no objections to its being granted; the sketch map forwarded with the Proceedings is herewith returned.

2. With regard to my letter recorded in Board's Proceedings, No. 1232, 185, dated 10th August 1874, I am quite satisfied that the Commissioner is "equally aware of the importance of great caution in giving up Forest land" and that so long as a Forest officer who knows something of the trees and their value, either as timber, firewood or reservoirs for water, inspects and reports on each tract applied for, I do not apprehend any damage.

3. The course suggested in my paragraph 7 might be adopted in the case of important and extensive applications only, and when the Collector or Commissioner's opinion did not coincide with that of his professional Forest Assistant.

Enclosure No. 1.—Sketch map.

Mr. HULL's application for the sale of 20 acres of Forest Land lying east of his Modanad property will be submitted for the favorable consideration of Government.
