*Proceedings of the Madras Government, Revenue Department,
17th December 1874.*

No. 213. Read the following Proceedings of the Board of Revenue, dated 5th December 1874, No. 3,521 :—

Read the following letter from G. VANSAGNEW, Esq., Collector of Nellore, to J. GROSE, Esq., Secretary to the Board of Revenue, dated 9th November 1874, No. 2,610 :—

ADVERTING to the Board's Official Memorandum of 5th instant, No. 1,828, requesting a reply to G. O., dated 7th July 1874, No. 841, Revenue Department, I have the honor to refer the Board to a demi-official letter I addressed to their Secretary, for their information last month, explaining that no action has been taken on the Government Order in question, owing to the serious personal injuries sustained by the Rajah of Vencatagiri in a carriage accident.

2. I asked the Rajah to inform me whenever he should find himself sufficiently recovered to travel to Nellore, and I have not yet heard from him to that effect.

3. At present, I would rather not press him to come, for, owing to the disastrous results of the recent flood, my time is, and will for some months be, far too much occupied with out-of-door as well as office work to permit of my attending to his business.

4. In fact, if he offers to come soon, I beg I may be authorized to put him off.

Submitted for the orders of Government.

2. The Board think the Collector should be authorized to defer his conference with the Rajah of Vencatagiri until the pressure of work caused by the late inundations has passed.
