*Proceedings of the Madras Government, Public Works Department,
13th April 1874.*

No. 110. Read the following endorsement of the Inspecting Engineer for Civil and Military Buildings, dated Chepauk, 18th March 1874, No. 435:—
From G. S. SAGE, Esq., District Engineer, Cuddapah, to Colonel E. A. FOORD, R.E., Inspecting Engineer for Civil and Military Buildings, dated Cuddapah, 9th March 1874, No. 2,391.

In reply to your No. 369, of 6th instant, I have the honour to return papers forwarded therewith and to report as follows.

2. The Madanapully Cutcherry was commenced in 1867, and stopped in 1869 with the other Cutcheries; the expenditure mentioned in my No. 1,734, of 20th November 1873, includes all expenditure.

3. The nature of soil is rocky at irregular depths.

4. The estimate provides for four male and two female wards as foundations of same were built and basement erected; the reason appears to be that it is not only a Tahsildar's but Sub-Collector's head-quarters, and extra accommodation was required.

5. Regarding verandah, Government have ordered Mr. Chisholm to send in a plan for same, and which has not yet been received.

6. Wood oiling was omitted by an oversight, it has now been entered.

7. Railed enclosure. I have had no reply to my communication on the subject which is, I believe, before the Government.

8. Out-houses are not separately mentioned in specification, as the method of performing each kind of work is shown. Regarding their cost, I would draw your attention to paragraph 2 of your No. 387, of 22nd April 1873, and G. O., No. 596, of 24th February 1869, and to observe that these out-houses are similar to those already sanctioned.

9. The latrines I have revised as I informed you in my No. C-49, dated 11th February 1874, and have now corrected estimate accordingly.

THE plans and estimate of Rupees 26,583, for constructing a Taluq Cutcherry and Subsidiary Jail with out-houses, at

- 1 Plan of main building.
- 1 Do. and sections of Jail wards.
- 3 Plans of out-houses.
- 1 Site plan.
- 1 Abstract Estimate.
- 1 Specification.

Madanapully, are forwarded to Government for sanction. The expenditure on the buildings, previous to suspension of work in 1869, amounted to Rupees 1,500. There is an allotment

of Rupees 5,000 for this work in the current year's Provincial Budget, and the expenditure therefrom up to end of January 1874 is Rupees 2,633-10-0. The allotment is likely to be expended by the end of the official year.

(Signed) E. A. FOORD, Colonel, R.E.,

Inspecting Engineer for Civil and Military Buildings.

this letter for the construction of a Taluq Cutcherry and Sub-jail at Madanapally in the Cuddapah District, subject to modification after providing for verandahs as recently approved, and the revised design for out-buildings which will be shortly issued.

2. The grant for 1873-74 will, it is expected, be fully utilized; and the work will be proceeded with continuously, an application being made for provision from the Reserve for such sum as can conveniently be spent in 1874-75.
