Revenue Department

Memorandum

Govt Order of 15th Dec 1874

In accordance with the order
of Government in the Public Department
dated 23rd October 1874, N^o 101 & the following
provision of establishment in the Revenue
Department is proposed -

Reductions

- 1 Clerk on Rs 40.
- 2 " on Rs 30.
- 3 " on Rs 25.

2 It is intended that these reductions
should take effect immediately except in
the case of one of the clerks on Rs 25. This
man is already superannuated, but
his retention in the service has been sanc-
tioned until 1st March 1875 on which
date he can be granted a superannuation
pension and his reduction be effected
without the necessity of granting a com-
pensation / pension.

3. As the duty of proceeding to the Mills where the work is heavy and living expenses falls necessarily on the Eurasian clerks now on salaries not exceeding Rs 40 it is considered desirable to offer them some compensating advantage in the way of additional pay and prospects of promotion, and it is therefore proposed to abolish another clerk on Rs 40 and to increase by one the number of those on Rs 50.

4. A small increase of pay to the 4 persons who go to the Mills is also suggested as well as in the case of the record attender, who should be able to read and write English, but is at present only paid Rs 7. The pay of the latter would not better make Rs 10. The proposed amendments are as follows.

I think further progress
cannot be expected by the
abolition of some of the best
paid clerks but during
these past years we have
found most useful
clerks, Genl. R. McKim
& W. Gould have been
with us and have been
the Miss. Ch. Agents Smith
& Stiles. However though
we have not been for

Establishment is not
more. In business -
if it is as regular
pay that of the
mine not be included
in the 200 volume the
cost of the current branch
is the same.
