My dear Sir

I have to thank
you for the kind offer
made to me to act in
Wynad for 3 months,
which, with the very
greatest reluctance,
I felt myself compelled
to decline by telegram
this morning on account
of my wife's health.
And I felt the more
reluctant to decline.

as I wish to be considered at present, I could not
a candidate for the
offert permanent
acting. Her length has
been confined to her
bed for nearly a year
and now the doctor
hopes she will recover
the use of her feet in
4 months.

A second establishment
in Wyand would have
more than doubled
up the other allowance.

which, situated as I am
afford. Had the vacancy
been for 6 months, I would
have continued to serve
first and afterwards to
have made good of the
improvement.

I understood from
Mr. Underwood that he
is likely to proceed to Europe
in about 18 months time.
I trust my declining
the offer in the present
circumstances after the
explanations offered.
