*Proceedings of the Madras Government, Revenue Department,
19th December 1874.*

No. 238. Read the following Proceedings of the Board of Revenue, dated 6th December 1874, No. 3,519 :—

Read the following letter from C. T. LONGLEY, Esq., Collector of Salem, to J. GROSE, Esq., Secretary to the Board of Revenue, dated 6th November 1874, No. 421 :—

With reference to the Board's Proceedings, dated 7th August 1874, No. 2,136, I have the honor to state that it would be most inadvisable to allow the Village Choultry at New Kistnagiri to go to ruin.

2. It is very necessary that the Village Munsif should have some public place where he can conduct his business, and it cannot be expected that the Munsif will himself provide a building for the purpose. This Choultry is also used by Toties, who arrive with remittances after sunset at New Kistnagiri, where the Taluq Treasury is located.

3. As regards the expenditure incurred in keeping up the building, it appears that it was repaired in 1852 by order of Mr. H. D. Phillips, a former Collector, at a cost of Rupees 13-9-0, but it does not appear to be quoted in any Proceedings either of the Board or Government.

4. The estimate is herewith returned.

Enclosure No. 1.—Estimate.

Submitted to Government with Board's Proceedings, dated 7th August 1874, No. 2,136, in view to the estimate for the repair of the Village Munsif's Choultry at Kistnagiri being sanctioned.

2. The cost Rupees 95 can be met from the same source as that for a similar work sanctioned in G. O., dated 3rd July 1874, No. 825.

PROCEEDINGS OF THE BOARD OF REVENUE, dated 7th August 1874.

Read the following letter from C. T. LONGLEY, Esq., Collector of Salem, to J. GROSE, Esq., Secretary to the Board of Revenue, dated 6th July 1874, No. 245:—

I have the honor to forward, for the sanction of Government, an estimate for repairing the Village Mansaf's Choultry at new Kistnagherry.

2. From the Sub-Collector's report it appears that the building was originally constructed and since kept up at Government expense.

3. It is at present very much in need of repair, and Mr. Wilkinson remarks that it is "in such a tumble-down condition as to be dangerous, and is a great blot in the otherwise neat town of Doulahad" (new Kistnagherry.)

Enclosure No. 1.—Estimate.

The Collector should report what expense at what time has been incurred by Government in keeping up the building. If it is mentioned in any Board's Proceedings or Government Order they should be referred to. Considering that the original value of the building was only Rupees 100 it may be better to let it go to ruin than spend almost as much again in repairing it.

Secretary.

To the Collector of Salem, with Estimate.
