*Proceedings of the Madras Government, Revenue Department,
19th December 1874.*

No. 244. Read the following Proceedings of the Board of Revenue, dated 4th December 1874, No. 3,514:—

Read the following letter from KOTI SURBA ROW, Deputy-Collector, to G. D. LEMAN, Esq., Collector of the Kistna District, dated Vinnakonda, 30th October 1874, No. 281:—

I have the honor to state that there is an encumbered charitable tank in D. No. 918 of Acres 5-38 at Pidugurula in the Palnad Taluq by the side of the Madras road. One Kota Sannyasa of Gadevaripalli in the same taluq has, of his own accord, partly repaired it at a cost of Rupees 300. He states that the bed of the tank is not sufficient, and therefore requests that the adjoining Government waste D. No. 919 of Acres 3-36, assessed at Rupees 5-1-0, be given him for the extension of the work. The tank is a very useful one being by the side of the Madras road, and there being no water within a distance of 2½ miles from it. The Tahsildar proposes that the land applied for be given for the purpose, and I see no objection to the proposal.

2. The tank is fed by surface drainage only and will be provided with an escape. The bund is 6 yards high with a base of 12 yards. The applicant proposes to spend Rupees 200 more on the work.

3. Under these circumstances, I beg you will be good enough to obtain sanction to make over the land applied for to the applicant, transferring it to the head "Charitable tank" in the accounts.

4. A rough plan of the tank is enclosed.
