No. 250. Read the following Proceedings of the Board of Revenue, dated 16th December 1874, No. 3,653, Forest No. 243:—

Read the following letter from J. R. COCKERELL, Esq., Commissioner of the Nilgiris, to J. GROSE, Esq., Secretary to the Board of Revenue, dated Ootacamund, 14th December 1874, No. 183:—

In their Order, dated 7th December 1874, No. 1,510, the Government remark upon an application to be reappointed in the Forest Department by Colonel Morgan that, "in the present case, His Excellency in Council does not find that such exceptional circumstances exist, and he must, therefore, decline to comply with Colonel Morgan's request."

2. Under paragraph 3, Section 95 of the Civil Pension Code, the services of a pensioned officer may be retained by the local Government for a period not exceeding one year.

3. I have the honor to suggest that it would be convenient if Colonel Morgan was permitted to remain in office until the end of the official year. Captain Jago, who will probably succeed Colonel Morgan, has never been in the Imperial Department, and knows nothing of the system of Imperial accounts, and all the contracts for the current year have to be closed, the accounts adjusted, and the annual report written.

Trustees for the favorable consideration of Government.

2. Early orders are necessary.

Secretary.
