*Proceedings of the Madras Government, Revenue Department,
6th February 1874.*

No. 43. Read the following Proceedings of the Board of Revenue, dated 27th January 1874, Miscellaneous No. 549 :—

Read the following letter from J. R. COCKERELL, Esq., Commissioner of the Nilgiris, to J. GROSE, Esq., Secretary to the Board of Revenue, dated Ootacamund, 20th December 1873, No. 123.

MR. W. B. LIDDELL, of the Firm of Messrs. Walker & Co. at Madras, possesses a Tea Estate at the Craigmere Cutting containing 18 acres, all under cultivation. The eastern boundary of the land is a stream issuing from the lake at the foot of the Craigmere Hill. At about the centre of this boundary there is a patch of $1\frac{1}{2}$ acre or so of Sholah forming a triangle, the base resting on the stream, and the patch thrust like a wedge into Mr. Liddell's land. Mr. Liddell explains that the reason this patch of Sholah was not granted to him originally was from a mistake of his servants in pointing out the boundaries he desired. Some trees round the margin of the Sholah were given him.

2. Mr. Liddell has been in possession of his estate for eight years. He has frequently applied for the triangle of Sholah to round off his property, and has always been refused on the ground the Sholah is reserve.

3. His present prayer is that the Sholah may be given him at a valuation as was recently done in the case of Colonel Walker at Coonoor (G. O., No. 1,350, of 4th December 1873). In my estimation there is no objection to a compromise with Mr. Liddell's wishes. It seems to me desirable, indeed, that a tenant in the position of Mr. Liddell should be accommodated under the circumstances. The Sholah is not a picturesque feature worth preserving. The forest officer has no objection to the grant of the Sholah.

4. I enclose a sketch map of the locality.

SUBMITTED for the orders of Government.

2. The Board recommend that the concession prayed for may be granted.

No. 44. ORDER THEREON, 6th February 1874, No. 165.

Miscellaneous.

THE Government are pleased to comply with this request; but desire, at the same time, to intimate their opinion to the Commissioner that cases like this must each be decided on their own merits, and not with reference to concessions in other cases.
