With reference to the opinion of the Board expressed in their Proceedings of the 22nd May 1874, I have the honour to enclose copies of letters from the Secretary to the Chief Commissioner of Mysore, in which the Chief Commissioner considers it very desirable to have a survey trace of the disputed frontier before Colonel Anderson visits the place, and beg that the Board will be so good as to submit my proposal to Government.

ENCLOSURE No. 1.

From T. CLARKE, Esq., Commissioner of the Ashtagram Division, to A. WEDDERBURN, Esq., Collector of Coimbatore, dated Mysore, 8th June 1874, No. 181.

ADVERTING to your letter, No. 115, dated 13th ultimo, I have the honour to forward, herewith, copy of a letter, No. 1,664-68, of the 3rd instant, from the Secretary to the Chief Commissioner, and to request you will be good enough to inform me whether the Madras Government has authorized the course proposed by you as regards the survey of the disputed tract between Yellandoor and Coimbatore District.

(Signed) A. WEDDERBURN,
Collector.

From J. S. F. MACKENZIE, Esq., Officiating Secretary to the Chief Commissioner of Mysore, to T. CLARKE, Esq., Commissioner of the Ashtagram Division, No. 1,664-68.

IN reply to your letter, No. 106-51, of the 22nd May 1874, I am directed to inform you that the Chief Commissioner considers it very desirable to have a survey trace of the disputed frontier before Colonel Anderson visits the place as proposed. I am therefore to request you to address the Collector of Coimbatore again on the subject, and report to this office whether the Madras Government have authorized the course proposed by him.

(True Copy.)

(Signed) T. CLARKE,
Commissioner, Ashtagram Division.

THE Collector can of course ask Captain Cloete to make a tracing from the Military Institution Map, and to have it corrected by a Surveyor on the spot previous to the settlement of the dispute as ordered by Government.

2. The Board were under the impression from Mr. Wedderburn's letter of the 7th May last, that he advocated postponement of the settlement question until after the survey of Collegal had been completed, a course for which they saw no necessity.
