the current year, to admit of provision being made next year for other works that are waiting their turn.

3. Estimates for buildings to be included in the Budget for 1875-76 will in all cases be prepared in communication with the Civil Officers concerned, and brought forward in the Budget lists in the order of precedence which may be assigned to them. Strict compliance with these instructions is enjoined.

4. The Controller's estimate of establishments amounts to Rupees 21,53,000, and the sums to be contributed under the several heads, after deducting Rupees 1,75,000 chargeable to "Extraordinary," will amount to Rupees 19,78,000, distributed as follows:—
