Dated	29. 4. 1874	1875

Not to be folded or roughly handled

Revenue Department

Miscellaneous No 2554.

Proceedings of the Board of Revenue
dated 17th April 1874.

No 132. Read the following

From J. H. Christie Esq^r
Collector of South Arcot

To J. Lysons Esq^r
Secretary to the Board of Revenue

Sir, In forwarding copy of my
General Duties Deputy Collector's
letter dated 12th ultimo No 53 I am
quite prepared to support his recom-
mendation that Double better dis-
-ing to P. 333-14... may be paid to the
Salary Subordinates employed on the special
work of measurement and classification

of

the lands in the Chekkady Jaghirs
with a view to its provisional settlement.

2. I would not ask for the sanction
this unusual concession to them were

it for the exceptional circumstances
in the case. The Chekkady Jaghire
is an objectionable place to reside in
during the rainy season owing to the
jungle fever which is prevalent there

which in too many cases proves
fatal. In addition to its unhealthy
ness the common necessities of life

are difficult to procure there and
as they have to be brought from a

considerable distance the cost of con-
veyance, owing to the general absence
of roads, is high.

3. Notwithstanding these draw-
backs the Taluk officials employed

on the Settlement worked hard and
it was owing to their great exertions
that the Deputy Collector was able
bring the settlement to so speedy a close.

4. As a proof of the dangerous
character of the fever prevalent in that
part of the District, I may mention with
regret, that of the 9 Taluk officials
employed on the settlement, one, the
Taluk Therasadar has since died
and another a Revenue Inspector is
still very ill.

5. I have therefore no hesitation
in recommending, that double
batta be paid to the officers
employed in the settlement as per

list

to enclosed.

South Arcot }
District Office } (Sig?) I. H. L. arathu
and Ponnacottai } Collectors.
and 1874.

The Board resolves to submit
this application for double batta to be
paid to the Taluk subordinates who were
engaged in measuring and classifying
lands in the Chennarayana
for the favorable consideration of
Government.

The Deputy Collector's report on
the settlement of the jaghirs which
is before the Board shows that
the work has been thoroughly well
done. He expresses time which it has
taken to get the data for a settlement
collected

collected, since it was first deter-
mined that a settlement was necessary
and the particulars given in the
of the Collector and Deputy Collect
prove that the work was exceptionally
arduous.

The sum for which sanction is
requested amounts to Rs 333-16-0. This
will suffice for the subordinates, but
the Board are of opinion
that a similar payment should be
made to the Deputy Collector & Sec-
retary. The Collector will report
on the number of days the Deputy
Collector was engaged in work con-
nected with the settlement
with the jaghirs and the
amount

amount involved
