Proceedings of the Madras Government, dated 24th October 1873, No. 1,168, Revenue Department:—

ABSTRACT.—Advances on account of Petty Construction and Repairs.—Awaiting further Proceedings of the Board of Revenue in reference to the adjustment of, up to 1871-72.

With the foregoing letters, Collectors submit statements showing the amounts of unadjusted balances on account of Petty Construction and Repairs in the several districts up to 1871-72.

2. The Board are glad to find that most of the balances have been adjusted. The only sums still remaining unadjusted are those noted below:—

Districts.	Head of charges.	Total advances in the year.		PARTICULARS OF ADJUSTMENT.						Balances to be accounted for.	
				Adjusted by Bills.		Cash recoveries.		Total.

3. The Collector of Chingleput promises to adjust the sum in his district at an early date, and the Collector of Vizagapatam states that the amount in his district remains unadjusted because the District Engineer withheld his counter-signature to the bill on the ground that the work was not executed satisfactorily, that the contractors were therefore directed to supply the defects in the work and that the bill will be submitted as soon as the work is completed.

4. A copy of these Proceedings will be submitted to Government with reference to their Order, dated 24th October 1873, No. 1,168.
