*Proceedings of the Madras Government, Public Department,
10th July 1874.*

No. 39. Read the following letter from Surgeon-General E. G. BALFOUR, Surgeon-General, Indian Medical Department, to the Honorable D. F. CARMICHAEL, Acting Chief Secretary to Government, Fort St. George, dated Fort St. George, 4th July 1874, No. 296:—

With reference to the order of Government granting free passage by rail to the wives, children and one servant of Public Department, No. 642, of 10th June 1874. Hospital Assistants travelling on duty in the Civil Department, I have the honor to recommend, for the favorable consideration of the Right Honorable the Governor in Council, the advisability of extending the order to meet also the case of Passed Hospital Apprentices. Under recent orders of Government, officers of the latter grade are now more frequently employed in the Civil Department in connection with provincial Civil Dispensaries, and their movements on duty have become proportionately increased.

No. 40. ORDER THEREON, 10th July 1874, No. 771.

The Government Order referred to will apply to Passed Hospital Apprentices also.
