*Proceedings of the Madras Government, Revenue Department,
14th February 1874.*

No. 124. Read the following Endorsement of the Under-Secretary to the Government of India, Financial Department:—

Read the following letter from D. BARBOUR, Esq., Under-Secretary to the Government of India, Financial Department, to the Chief Commissioner of Mysore, dated Fort William, 7th February 1874, No. 894.

WITH reference to your letter, No. 5,579-31, dated 8th January 1874, I am directed to say that, under the circumstances stated, the Governor-General in Council is pleased to authorize the use in Mysore of the Government of India "Court Fee Labels" and "Receipt Bill or Draft Labels" with the word "Mysore" printed across them, the necessary supply being obtained from the Superintendent of Stamps at Madras.

2. With regard to the proposal to have labels for Mysore manufactured in England, I am to observe that the Government has some doubt whether, with reference to the greater liability to fraud connected with the use of labels, it may not be necessary to revert to the method of impressed stamps.

3. It would seem, therefore, to be premature to move the Secretary of State to incur the cost of having the requisite machinery constructed for the preparation of adhesive labels for Mysore, and it would seem better for the present to use impressed stamps for judicial purposes in Mysore.
