Proceedings of the Madras Government, Revenue Department,
14th February 1874.

No. 128. Read the following Proceedings of the Board of Revenue, dated 4th February 1874; No. 219 :—

Read the following letter from D. TIMMAPPAN, Deputy-Collector, Peapally, to J. HOPE, Esq., Acting Collector of Kurnool, dated 21st January 1874, No. 14 :—

In continuation of my letter, No. 9, of the 14th instant, I have the honour to submit the copies of the two Arzis received from the Tahsildar of Koilakuntla, informing the nature and extent of work done on the famine relief work between Owk and Koilakuntla, and reporting that that work was stopped by the District Engineer owing to his having been intimated by certain ryots that they are in want of coolies and to the funds granted for the work having been nearly out.

2. The Tahsildar further reports that the cooly-class people at Owk and its neighbourhood are now able to procure ample employment for their livelihood.

No. 47.

Copy forwarded for the information of the Board of Revenue. No communication has yet been received from the District Engineer on the subject. The step taken by him was probably wise, but it was done without the authority or knowledge of the Acting Collector.

As the "Relief Works" coolies were required by the neighbouring ryots, the District Engineer acted rightly in letting them go; but he should have reported the matter to the Collector.
