Proceedings of the Madras Government, Revenue Department,

14th February 1874.

No. 132. Read the following Proceedings of the Board of Revenue, dated 3rd February 1874, Miscellaneous No. 709:—

Read the following letter from J. G. HORSEFALL, Esq., Sub-Collector, to W. S. FOSTER, Esq., Acting Collector of the Godavery District, dated Rajahmundry, 22nd December 1873, No. 412.

I HAVE the honour to state that there is a site, No. 275, measuring about 1,720 square yards, on the northern side of the godowns of the Jaggampetta proprietor in Innespetta. This site forms part of the ground set apart for raising a new petta (Innespetta), *vide* Proceedings of Government, dated 17th February 1863, No. 352.

2. It was not hitherto taken up. There are now several applicants, and as almost all the sites have been already taken up, and as there is great demand for sites, I propose that it should be sold by public auction in two equal portions, and on condition that godowns only are to be built on the frontage of the site, and that they are to be in a line with and to correspond with the Jaggampet proprietor's godowns.

3. I request that you will be good enough to obtain the permission of Government for the sale of the site in question, as directed in paragraph 18 of the rules for the sale of unassessed waste lands.

No. 7.

FORWARDED to the Board of Revenue, with a request that the necessary sanction may be obtained for the sale of the land in question under paragraph 18 of the rules for the sale of unassessed waste lands.
