No. 119. ORDER THEREON, 16th July 1874, No. 1297.

The Governor in Council observes that the design of building proposed for an "Office" for the Senior Assistant Collector of the District of Ganjam stationed at Berhampore, resembles, slightly altered, the plan of the old Travellers' Bungalows.

2. His Excellency in Council does not approve the plan, and considers it desirable that standard plans should be designed, in keeping with the designs recently introduced of Taluq Cutcherries and District Munsifs' Courts, for Offices,

(*a*) for Divisional Officers under the grade of Sub-Collector.
(*b*) for Sub-Collectors.
(*c*) for Collectors.

3. The Civil Architect will be requested, in communication with the Board of Revenue, to prepare the requisite designs, taking in hand first the design for an office under head (*a*) above, with reference to the application now made.

4. The necessary out-offices, as latrines, &c., should be provided.
