MISCELLANEOUS No. 2064

REVENUE BOARD OFFICE,
Madras, 26 March 1874.

From

The Secretary to the
Board of Revenue,
Madras.

To

The Secretary to Government,
Revenue Dept.

SIR,

At present the space in the
building, partly occupied by the
offices of the Board of Revenue
and the Superintendent of Revenue
Survey, where the Superintendent's
Lithographic Presses are worked
occupies that occupied by the
Board's Current Record and
Petition Department. The noises
and smells which accompany the
working of the Presses cause the
greatest inconvenience to the Board's
office and they are sometimes so
bad that they almost put a
stop

stop to business in the above
mentioned Departments.

The Superintendent of Revenue
Survey has informed the Board
that if the space in the Western
part of the building now occu-
-pied partly by his instruments
and records and partly by records
of the Inam Department is paved
the Presses can be removed to that
space and the Survey instruments
and records and the Inam records
interposed between them and
the Board's clerks.

This will give immense relief
to the Board's clerks and will
facilitate public business to an
extent which can only be appre-
-ciated if the rooms occupied by
the Board's Current Record
and Petition Departments are
visited at a time when the
Presses are in full work.
The

The granite paving stones
cost originally Rs 1005. They can be
removed and laid down again,
and replaced with a chunam ph
and a ~~What is necessary~~ ^{new} ~~arrangement~~
made for about Rs 1021.

I am directed to request
that Government will sanction
the requisite expenditure and
call for a regular estimate.

I have the honor to be
Sir,

Yours most obedient servant.

J. G. Gole
Secretary.
