Plan, estimate
& Report of sample
Golah.
Comparative
Statement.

dated 27th February 1871, and
the orders of Government in
the Revenue Department, No 328
dated 21st February 1871, I have
the honor to report that I have
received a Plan and Estimate
for a Salt Golah as constructed
at Coampta in North Canara
which you will observe on
reference to the Comparative
Statement herewith submitted
actually costs more per cubic
foot of stowage room under
Cover

Cover than either of the Estimates
for the more permanent and
substantial Buildings proposed
by me - The Cost of constructing
a building similar to the present
Salt Golah with in Malabar
be quite as much, and since
piece work has never been
attempted in that District
the Estimate would probably
be exceeded -

2. Should Government on
the explanation above given
be satisfied that it will be
more economical to construct
the more permanent Golahs
for which I now beg to submit
Plans & Estimates, viz -

Cannanore Rs 20,100

Ponany " 9,570

Brypoor " 8,000

I request they may be sanctioned

and funds allotted as the
Golahs are said to be much
needed -

3 The Estimate for the Golah
at Ponany has been prepared
with reference to Co No 102 of
18th January 1871, and that for
the Brypoor Golah on a re-
quisition from the collector
His Officer having called upon
me in a letter dated 6th Feb 1870
to prepare an Estimate for a
tiled Roof over the present
building at Brypoor, as noted
by him in para 4 of his letter
printed with Revenue Co. No 1290
of 18th August 1870 both myself and
the Range Officer inspected the
Building and considered it to be
in a dangerous state, and can
in no way be utilized, being
cracked and shattered in all directions.
The

The Estimate No 3 therefore was prepared, and its amount Rs 9,300 reduced to Rs 8,000 by credit of value of the Materials of the present useless building Estimated at Rs 1,300.

4 I forward this letter through the collector that he may affix his signature to each of the papers as he has not already done.

I have the honor,
Sir,

Yours most obedt Servt
