*Proceedings of the Madras Government, Revenue Department,
26th February 1874.*

No. 229. Read the following Proceedings of the Board of Revenue, dated 9th February 1874, Miscellaneous No. 854 :—

Read the following letter from the Hon. D. ARBUTHNOTT, Collector of Tanjore, to J. GROSE, Esq., Secretary to the Board of Revenue, dated Vallam, 10th January 1874. No. 9

I HAVE the honou

One Head Constable's and 14 Constables' huts at Adrampatam, Rs. 5,700. estimates for the works noted in the margin.

2. The amount of the estimates, it will be seen, exceed the allotment in the budget by Rs. 2,400, and this is because the present estimate provides for the walls of the building being executed with brick in mud with chunam foundations, while the rough estimate entered in the budget provided only for mud-walls.

3. Mr. Ricketts, the Deputy-Collector in charge of the Salt Department, writes as follows as to the necessity for the increased estimate :—

" My experience has fully convinced me that mud-walls are not at all reliable or suitable for bearing a heavy tiled roof on the sea coast where no good clay is, as a rule, to be had ; and that brick in mud should be substituted with a view of having substantial buildings, though at first somewhat expensive."

4. The present estimate does not provide for the salaries of the temporary Maistries employed in this department for superintending the execution of the work ; but I propose to have it executed by the Public Works Department.

5. I beg to suggest that the construction of the Constables' huts at Cuttumavady be, for the present, postponed, and that the deficiency between the amounts of estimate now forwarded and budget allotment for it be met from the sources shown in the margin.

6. The early sanction of the Board is solicited.

The estimate is submitted for the sanction of Government.
