*Proceedings of the Madras Government, Revenue Department,
26th February 1874.*

No. 243. Read the following Proceedings of the Court of Wards, dated 29th January 1874, No. 159 :—

Read the following letter from W. S. WHITESIDE, Esq., Collector of North Arcot and Agent to the Court of Wards, to J. GROSE, Esq., Secretary to the Court of Wards, dated Chittoor, 16th December 1873, No. 787 :—

ADVERTING to the Proceedings of the Court of Wards, No. 1,138, dated 28th June 1872, I have the honour to forward copy of the award of the District Judge of North Arcot under Section 34 of the Land Acquisition Act X. of 1870. From this the Court will observe that Rupees 1,653-14-6 have been awarded as compensation for lands taken up for the Seshamangalam channel, Rupees 42 on account of travelling allowance, etc., to two individuals who attended the District Court as Assessors on behalf of the ryots and Government, and Rupees 6-8-0 on account of cost incurred for the issue of notices to the Collector, ryots, etc. Of the first item Rupees 1,565-12-6 are due to the ryots of the Arnee Jaghire on account of their occupancy right in the lands taken up, and the remainder, Rupees 88-2-0, should be credited to the funds of the Arnee Minor estate; the same being the compensation due on account of unassessed and assessed waste lands in the Jaghire.

2. I have written to the District Engineer to remit to me the amount of compensation and the travelling allowance of the Assessors, etc., from the allotment made for the Seshamangalam channel project to payment to the parties concerned, and for the necessary adjustment in the accounts.

3. As it appears from the award above quoted that lands assessed at Rupees 67-6-6 have been taken up for the channel, I request that the sanction of Government may be obtained for deducting this amount from the annual peishcush due by the Jaghiredar. The present peishcush is Rupees 6,000, and the reduced peishcush will be Rupees 5,932-9-6.
