*Proceedings of the Madras Government, Revenue Department,
2nd March 1874.*

Read the following :—

No. 15. Proceedings of the Board of Revenue, dated 15th September 1873,
No. 1,836.

Read the following letter from J. H. MASTER, Esq., Collector of Bellary, to
J. GROSE, Esq., Secretary to the Board of Revenue, dated 26th August
1873, No. 285 :—

In the village of Gootlur, in the Dharmaveram Taluq, there is a piece of land,
dry No. 40, extent acres 1-20, assessed at Rupees 1-7-0, which was formerly
possessed by the Madigas of that village as their Service Inam. This is clear
from the pymaish and tarwar accounts.

2. It is said to have been attached and incorporated with Government
land some time before the reduction of assessment, but when, and under what
circumstances, it was resumed is not known.

3. It is, however, held on putta by two individuals, Madiga Yerraga and
Naga, who are reported to have consented to give up the land in the event of its
being restored as an Inam.

4. The village (Gootlur) was heretofore an insignificant one; but, as it is
now rising into importance since the restoration of its tank, I have the honour to
request you will be good enough to obtain the sanction of the Board for the assign-
ment of this land as an Inam to the Madigas in acknowledgment of their services,
which, of course, are increasing.

—

THE Collector is requested to state what services are performed by the
Madigas, and whether the Inam was formerly held by them all in common or was
enjoyed by a single family.

No. 16. Proceedings of the Board of Revenue, dated 30th January 1874,
No. 169.

Read again Board's Proceedings, 15th September 1873, No. 1,836.

Read also the following letter from J. H. MASTER, Esq., Collector of Bellary,
to J. GROSE, Esq., Secretary to the Board of Revenue, dated Kallian-
drug, 17th December 1873, No. 434 :—

WITH reference to the Proceedings of the Board of Revenue, No. 1,836, dated
15th September last, I have the honour to state that the services performed by the
Madigas of Gootlur, in the Dhurmaveram Taluq are, 1st, patrolling the village and
keeping watch at the Choultry at nights; 2nd, measuring fields; 3rd, assisting in
the collection of revenue; 4th, taking the Village tappal to the Katcherry, and among
other minor duties, keeping watch over the tank bund, when it is full, in fact they
perform much the same services as Taliaries.

2. The Inam attached was held in common by the ancestors of the present
claimants who are eight in number, are all kindred in blood, and who have agreed to
enjoy the proposed grant in common.

*Proceedings of the Madras Government, Revenue Department,
2nd March 1874.*

THE Board resolve to request Government to re-grant the Madiga Inam (acres 1-40 assessed at Rupees 1-7-0) of Gootlur to the Madigas.

2. The Madigas are the same as Taliaries. The present occupants of the Inam are willing to give it up for the Madigas, and the Madigas want it. The circumstances under which the Inam was resumed are not known.
