*Proceedings of the Madras Government, Revenue Department,
2nd March 1874.*

No. 18. Read the following Proceedings of the Board of Revenue, dated 24th February 1874, No. 418:—

Read the following papers:—

Read the following letter from R. K. PUCKLE, Esq., Collector of Tinnevely, to J. GROSE, Esq., Secretary to the Board of Revenue, Madras, dated 20th February 1874, No. 116.

I HAVE the honour to inform you that rain set in on the 17th, and has been falling lightly ever since, with occasional intermissions.

2. The river has been running in fresh for the last two days, and at the time I write is eleven feet deep.

3. From reports received, the rain has been general, heaviest to the north and west in the neighbourhood of the hills. All river-fed tanks will now receive an abundant supply, and the rain-fed tanks will be partly filled everywhere; ploughing has been very generally commenced for a crop of gingely oil seed, and in anticipation of the Board's sanction, and to utilize the water in the rain-fed tanks, I have granted permission to grow any dry crop on nunjah land at the rate of one rupee an acre, provided such crop is reaped by the end of the current fasli.

4. There is no longer any anxiety for the rice-crops in the blade, and the cotton will specially benefit by this rain.

5. Garden cultivation will now commence throughout the northern and

Telegram from Collector of Tinnevely, to Secretary to the Board of Revenue, dated 23rd February 1874.

River rose to fifteen feet on 20th instant, and is still running freely. Crops in the river valley saved. Plenty of grass and water. No further telegrams needed.

SUBMITTED for the information of Government.

2. The Collector will be good enough to report on the state of the rest of district, and what amount he now expects will have to be remitted.
