Proceedings of the Madras Government, Revenue Department, 3rd March 1874.

No. 31. Read the following letter from G. BANBURY, Esq., Director of Revenue Settlement, to D. F. CARMICHAEL, Esq., Secretary to Government, Revenue Department, Fort St. George, dated Madras, 14th January 1874, No. 47-2 :—

WITH reference to G. O., 4th August 1862, No. 1,653, I have the honour to request sanction for the exemption from the Examination Rules of Jonnalagodda Ramachendra Row so long as he may be entertained on the Field Establishment of this department to enable him to draw the full pay of the post of Classifier to which he has been appointed by the Acting Deputy-Director in the Ganjam District. The local knowledge he has acquired in Kimedy and his long experience as a Head Classifier there peculiarly fit him for the appointment.

2. I need scarcely add that my Deputies everywhere find it difficult to secure the services of passed candidates owing partly to the arduous and irksome nature of the duties in the field. Thus the Deputies have been generally obliged to fill up the lower posts by unpassed men, who, in course of time by practical experience, local knowledge, and peculiar aptitude, become qualified for the higher posts in the department. It thus becomes a matter of necessity for frequent applications to be made to Government for exemption from the rules, and I would request that, if there be no objection, sanction for their relaxation, so far as they affect appointments of whatever salary requiring technical knowledge, may be granted as in the case of Surveyors, Draughtsmen, etc., in the Survey Department, who have been excluded from their operation. The appointments to which I would extend this privilege include all grades of servants on the Field Establishment, viz., Supervisors, Classifiers, and Demarcators of all ranks. No concession need be made in favour of Gumastahs, Clerks, and other ordinary employés in office, except under special circumstances, for which sanction will be applied for if occasion arises.

No. 32. ORDER THEREON, 3rd March 1874, No. 292.

Miscellaneous.

THE Government will exempt this particular man in this one office; but as regards others they desire that the Acting Director shall carry out the orders of Government to entertain only passed men in the first instance.
