*Proceedings of the Madras Government, Revenue Department,
3rd March 1874.*

No. 41. Read the following Proceedings of the Board of Revenue, dated 11th February 1874, No. 285 :—

Read the following letter from G. D. LEMAN, Esq., Collector of the Kistna District, to J. GROSE, Esq., Secretary to the Board of Revenue, dated Masulipatam, 17th December 1873, No. 1,908 :—

GOVERNMENT having in G. O., No. 1,314, dated 28th November 1873, Revenue Department, definitely decided against the removal of the Head-quarters of this district to Guntoor, I have the honour to forward, again, estimates amounting to Rupees 34,180 for the alterations and additions to the Collector's Cutcherry, Out-offices, etc., at Masulipatam; and at the same time to urge that sanction may be speedily accorded, as the discomfort and inconvenience of the present building are very considerable.

2. Of the ten enclosures returned with the Board's Miscellaneous No. 2,208, of 8th April 1873, only eight accompany this, the ninth and tenth being estimate and plan of an additional Press-room which has been completed and is being used. The plan for the main building was not returned to me along with the estimates.

SUBMITTED to Government with reference to their Orders dated and numbered respectively, 4th April 1873, No. 389, and 28th November 1873, No. 1,314.

2. The plan and estimate for the proposed alteration in the Cutcherry at Masulipatam, which accompany the Collector's letter have been already before Government having been submitted by the Board with their Proceedings of 6th March 1873, No. 324, embodied in the Government Proceedings of 4th April; above referred to.

3. The consideration of the subject was postponed until the choice between Masulipatam and Guntoor as the District Head-quarters should have been finally made.

4. That question has now been decided in favour of Masulipatam in G. O., of 28th November last and the plans and estimate are accordingly re-submitted.

5. The Collector proposes to place the Treasury Deputy on the upper floor; the Board are of opinion that this officer should invariably have his office on the ground floor, and would assign to him the room set apart in the plan for the Salt Deputy-Collector.

6. The Record-rooms also appear needlessly large, seeing that all the Vernacular records in existence in sixty-four were destroyed by the inundation.

7. The Government in the second paragraph of their order of 4th April 1873 call the Board's attention to a request made by the Collector for sanction of Rupees 241 as part of the cost of a Press-room.

8. Sanction was given and as will be seen from paragraph 2 of the Collector's letter, herewith submitted, the room has been built.

No. 42.

ORDER THEREON, 3rd March 1874, No. 297.

Miscellaneous.

THE plan showing the proposed alterations in, and additions to, the Collector's Cutcherry at Masulipatam,

submitted by the Board of Revenue, is approved, with the modification that open sheds, instead of close rooms, should be provided for the accommodation of persons coming to the Cutcherry on business. The record-rooms, which the Board remark are unnecessarily large, need not be interfered with. The Record-keeper and his Clerks will, it is presumed, have to sit in them.

2. The estimates will be examined and sanctioned in the Public Works Department.
