No. 83. Read the following Proceedings of the Board of Revenue, dated 12th February 1874, No. 304 :—

Read the following :—

Letter from Colonel F. J. B. PRIESTLEY, Superintendent of Revenue Survey, to J. GROSE, Esq., Secretary to the Board of Revenue, dated Chepauk, 23rd September 1873, No. 2,284-112.

I HAVE the honour to submit two recommendation rolls containing proposals by the officer in charge of Bellary Demarcation Party for the transfer of the villages named in the margin, from the Patticondah Taluq, Kurnool District, to the Adoni Taluq of the Bellary District.

Halsanagutti, Kallukotta and its hamlet Narranapur, and Parlapully.

2. The grounds for the transfer are, that these villages are entirely surrounded by those of the latter taluq and are consequently cut off from the former taluq.

3. The Collectors of both the districts are in favour of the proposals.

4. Previous to submitting the proposals for the consideration of the Board of Revenue, I sought the opinion of the Director of Revenue Settlement. A copy* of my letter with that of his reply† is enclosed.

* Dated 23rd August 1873, No. 2,035-124.

† ,, 1st September ,, ,, 1,829-111.

5. I concur with the Collector of Bellary that Parlapully be made an independent village instead of being amalgamated (as proposed by Mr. Merriman) with Guvvaladoddi.

6. Under provision of G. O., No. 244, of 9th February 1864, paragraph 2, I request that sanction of the Government for the transfer of the villages may be obtained, and that the amalgamation of Halsanagutti with Basaracode may be authorized, unless the Board think the reasons given by the Director of Revenue Settlement for not concurring in the proposal preponderate over those advanced in its favour.

Copy of a letter from the Superintendent of Revenue Survey, to the Director of Revenue Settlement, dated 23rd August 1873, No. 2,035-124.

As your settlement operations are still in progress in the Patticondah Taluq of the Kurnool District, you may perhaps wish to have an opportunity of recording your opinion on the subject of the enclosed recommendation rolls of transfers of villages from Patticondah to Adoni Taluq. I have the honour to request you will be so good as to enter it in the roll and return it as early as possible, so that the progress of work in the latter taluq may not be delayed.

Copy of a letter from the Director of Revenue Settlement, to the Superintendent of Revenue Survey, dated 1st September 1873, No. 1,829-111.

IN reply to yours of 23rd ultimo, No. 2,035-124, I have the honour to state that our operations in Patticondah have been closed, and that the land registers are all written up ready for printing. If, however, you think the matter of great moment, we can alter what has been done, but your letter was evidently written under the impression we still had hands at work there.

ENCLOSURES Nos. 1 and 2.—Lists of villages.

ENCLOSURES Nos. 3 and 4.—Sketches.

Statement from J. HOPE, Esq., Acting Collector of Kurnool, to J. GROSE, Esq., Secretary to the Board of Revenue, dated 9th January 1874.

ABSTRACT.—Statement showing the receipts and disbursements of the Village Service Fund from Fasli 1272 (1862-63) to 1282 (1872-73) in the villages proposed to be transferred from the Patticondah Taluq, Kurnool District, to the Adoni Taluq, Bellary District (*vide* Board's Official Memorandum, No. 1,536, dated 6th October 1873).

SUBMITTED for the orders of Government.

2. It is proposed to transfer—
   (1.) Parlapully, a hamlet of Pedda Muravadi,
   (2.) Kallukotta and its hamlet Narranapur,
   (3.) Halsanagutti, a hamlet of Belupattikonda,

from the Patticondah Taluq of the Kurnool District to the Adoni Taluq of the Bellary District.

They are surrounded by Adoni villages, nearer to Adoni than to Patticondah, and close to the station of a Bellary Sub-Magistrate.

The inhabitants of No. 3 object, but the ground of the objection is not known, and all the local officers are in favour of the transfer.

The Board are accordingly of opinion that the transfer should be allowed.

The fact that the villages are to pass from a district where the village service has been reorganized and the Village Service Cess imposed, to a district in which the cess has not been authorized, creates a complication which must be treated village by village.

(1.) *Parlapully, a hamlet of Pedda Muravadi.*—The average annual receipts of the Village Service Fund from Fasli 1280 to Fasli 1282 were—

	Rs.	A.	P.
From Inams	230	0	0
Cess	72	0	0
Total...	302	0	0

There is no separate village establishment for this hamlet. The Superintendent of Revenue Survey suggests that it should be amalgamated with the Adoni village of Guvvaladoddi, but the Collector objects on the ground that the Parlapully village servants would thus lose their appointments. It may be that though there is no separate village establishment for the hamlet, there are some village servants immediately attached to it. If so, it may be undesirable to amalgamate this village with another and the cess must be continued. If not, the Board think the amalgamation should take effect. Apparently Rupees 72 must be transferred to the Bellary Village Service Fund at the same time as the village is transferred.

(2.) *Kallukotta and its hamlet Narranapur.*—The average annual receipts of the Village Service Fund from Fasli 1280 to Fasli 1282 were—

	Rs.	A.	P.
From Inams	298	0	0
Cess	129	0	0
Total...	427	0	0

Proceedings of the Madras Government, Revenue Department,
5th March 1874.

The village servants employed are :—

	Rs.	A.	P.
Reddi	60	0	0
Shroff allowance of the Reddi ...	12	2	1
Curnam	72	0	0
Taliary and Vettians	192	0	0
Total...	336	2	1

It is proposed that no change should be made with regard to the integrity of this village and its establishment, so that it will be necessary to continue the collection of the cess, though perhaps not at so high a rate as at present. As the cess does not exceed the cost of the establishment, nothing need be transferred from the Kurnool to the Bellary Village Service Fund.

(3.) *Halsanagutti, a hamlet of Belupattikonda.*—The average annual receipts of the Village Service Fund from Fasli 1280 to Fasli 1282 were—

	Rs.	A.	P.
From Inams	43	0	0
Cess	30	0	0
Total...	73	0	0

and there was no separate village establishment. The Superintendent of Revenue Survey and the Collector propose that this hamlet should be amalgamated with the Adoni village of Basaracode, but their statements with regard to the village servants are somewhat different. The former says, the Curnam of Basaracode is a Mirassidar of Halsanagutti, and can do the work of both, whilst "the other village servants can be remunerated from the Village Service Fund of the hamlet:" the latter says that the village servants of Halsanagutti refuse to give up their positions; that the Curnam not being a Mirassidar may be discontinued; that the two Reddies who are now paid from the fund will not be wanted; that the Basaracode Reddi and Curnam should do all the work of the amalgamated villages, getting an allowance, if necessary, from the fund of the hamlet; and that the Halsanagutti Taliary should remain as at present. From this it would appear that though Halsanagutti has no separate establishment, it has two Reddies, a Curnam and a Taliary, immediately attached to it, but this seems to be impossible considering the smallness of the hamlet. The Collector of Kurnool will report how the matter really stands, and whether there is any surplus of the Village Service Fund to be transferred with the village to Bellary. The necessity of continuing the cess is doubtful and depends on whether the Rupees 43, obtained from Inams, is enough for the Taliary and the allowances of the Basaracode Reddi and Curnam.

A Notification is submitted, transferring the three villages to Bellary and continuing the village cess in them.

NOTIFICATION.

It is hereby notified that the following villages, viz. :—

1. Parlapully, a hamlet of Pedda Muravadi,
2. Kallukotta and its hamlet Narranapur,

3. Halsanagutti, a hamlet of Belupattikonda, being villages in the Patticondah Taluq entirely surrounded by villages belonging to the Adoni Taluq of the Bellary District, are transferred to the said Adoni Taluq of the Bellary District.

It is also notified that the Village Service Cess, at a rate not exceeding 1 Anna in the rupee of land assessment and water-rate, will continue to be collected in the said villages.
