*Proceedings of the Madras Government, Revenue Department,
10th March 1874.*

No. 110. Read the following Endorsement of the Secretary to Government, Public Works Department, dated Fort St. George, 2nd March 1874 :—

Read the following letter from R. E. NORFOR, Esq., District Engineer, South Arcot, to Colonel E. A. FOORD, R.E., Inspecting Engineer for Civil and Military Buildings, dated Pattambakum, 4th Dec. 1873, No. 175:—

I HAVE the honour to submit, for the sanction of Government, an estimate of Rs. 340, accompanied by a plan and specification, for constructing out-houses to the Sayer Police Inspector's bungalow at Vuldavoor.

2. The bungalow has been lately repaired, but it cannot be occupied by the Inspector without out-houses; the old out-houses built with mud-walls in 1867-68, at a cost of only Rs. 35, are in ruins and not worth repairing. The early construction of the proposed out-houses is, therefore, very desirable.

3. The estimate has been prepared on the requisition of the Superintendent of Police, and it has met with the approval of that officer and of the Collector.

4. The bungalow was constructed at a cost of Rs. 1,160 in 1867-68, and it has hitherto been repaired by this department on the requisition of the Police authorities; but I now learn from the Superintendent of Police that the Revenue Department build and keep in repair all buildings for Sayer Police, I believe, from the grant under "Petty Construction and Repair" in the budget of that department. I beg to be informed whether the proposed charge and that for future repairs to the bungalow in question are to be borne by this department or as in the other Sayer Police buildings.

5. There are no funds at my disposal to meet the charge now proposed.

No. 303.

THE plan and estimate of Rs. 340 (now altered to Rs. 500) are forwarded for the orders of Government. The original estimate has been countersigned by the Collector and Superintendent of Police in token of approval.
