PROCEEDINGS OF THE BOARD OF REVENUE, dated 12th February 1874.

Read the following letter from G. VANSAGNEW, Esq., Collector of Nellore, to J. GROSE, Esq., Secretary to the Board of Revenue, dated 24th November 1873, No. 2,618:—

I HAVE the honour to report that Beebee Sahiba, the late ex-Jaghiredar's step-mother, who was drawing an allowance of 15 Rupees a month, died on the 8th November 1873.

2. The allowance was sanctioned by the Government of India in their Order, dated 11th January 1841, No. 29. She was the first wife of Abdul Khader Khan, the father of the deposed Jaghiredar Abbas Alli Khan.

3. Her sister's son, Kadiri Sahib, represents himself as her adopted son, and solicits a grant of 200 Rupees to defray her funeral expenses. This Kadiri Sahib was Beebee Sahiba's Vakeel, who drew her pension.

4. The question of adoption is under inquiry. Meanwhile I submit the application for funds to meet the expenses of the funeral for the favourable consideration of Government.

SUBMITTED for the orders of Government.

2. In reporting the death of Beebee Sahiba, a member of the family of the ex-Jaghiredar of Udayagiri who held a subsistence allowance of Rupees 180 per annum, the Collector submits, for the favourable consideration of Government, her nephew's application for a grant of Rupees 200 to defray her funeral expenses. The Board see no grounds for supporting this application.

3. It is observed from the list of money allowances submitted in 1866 that Beebee Sahiba was then 77 years of age, so that at her death in November last she must have been over 84 years old. In submitting any application for payment of arrears that may be due the Collector will be good enough to state what evidence there is to show that she died in November, also the date of the last occasion on which her existence and identity were ascertained by personal examination through female agency.
