SIR,

I have the honor to acknowledge the
recd. of the Commander in Chief on a visit to the
Jadavpore Plantation on the 10th ultimo.

The Plantation was very healthy.
It was found with a thick growth of Mangrove
about two feet high and in parts of the
plantation this sort of thick growth was
much higher. I venture to bring this matter
to the notice of Government with reference to
my letter dated 16th ultimo regarding
the purchase of land for 1855-56.

I may mention that it is stated
that the freshets of the Palar which
plantation has visited and which has no
works on it at all, is kept clean at an
annual outlay of Rs 50 per acre.

I have the honor to be
Very respectfully
