REVENUE BOARD OFFICE,
Madras, 25th Sept^r 1874.

From

The Secretary to the
Board of Revenue

To

The Secretary to Government
Revenue Department.

SIR,

With reference to the G.O. dated
25th March 1874 No. 383, I am directed
to request the sanction of Government
for the continuance of the clerks
in referred to up to the end of the
current official year, when the Board
will be in a position to state finally
whether the services of the clerks will
be permanently required or not.
The clerks were entertained on the
1st April 1874 and the period of
six months for which they have
been sanctioned expires with the
current month.

2. The re-computation of the
Board's

Board Conversion table has been
completed, and general tables to
facilitate the conversion of figures
entered in the monthly returns are
under preparation. These tables will
be completed by the end of the current
official year, but even after that,
the Board doubt whether it would
be possible to dispense with the
services of the clerks. At present
4 hands are employed in the work,

and even if one could be spared
after the conversion tables are
ready, his services will be required
in the current department. As
under these circumstances it is
likely that the services of the
2 clerks will be permanently
required, I am also directed to
request the permission of Government.

To
