G.O. No. / B.P. No.	380	Press / Mis.

No. 215. Read the following letter from R. W. BARLOW, Esq., Collector of the Chingleput District, to C. G. MASTER, Esq., Acting Secretary to Government, Revenue Department, dated Sydapet, 21st March 1874,

In forwarding the enclosed notification for investing Deputy Collector Venkatesiah, now on special duty, with the powers of a Collector under Act X. of 1870, I have the honour to request that it may be published, if possible, in the next issue of the Fort St. George Gazette, as the compensation claims for the Carnatic Railway are in course of rapid disposal.

2. The Deputy Collector recently brought to my notice that exception might be taken to his acts, unless so specially empowered; and that G. O., dated 26th July 1873, No. 786, Revenue Department, might be held only to enable him to make local inquiry departmentally, as to the market value of land, etc., but that the parties interested would have, under Section 9 of the Act, to present their statements, and then all appear before me for the inquiry necessary under Section 11, which would be productive of great inconvenience to the parties, and delay the work, and render his services of little use.

3. A reference to the wording of Section 3 of the Act shows, that this special investiture is necessary to avoid the possibility of technical objections being raised hereafter by dissatisfied parties.

No. 216. ORDER THEREON, 24th March 1874, No. 380.

Miscellaneous.

THE Right Honourable the Governor in Council considers it unnecessary to issue any special notification, as requested in this letter. He observes that the intention of G. O., dated 26th July 1873, No. 786, was that C. Venkatesiah should perform the functions of a Collector, as described in the Land Acquisition Act.
