Proceedings of the Madras Government, Revenue Department, 30th March 1874.

No. 247. Read the following Proceedings of the Board of Revenue, dated 3rd March 1874, No. 463 :—

Read the following letter from A. MACGREGOR, Esq., Collector of Malabar, to J. GROSE, Esq., Secretary to the Board of Revenue, dated 3rd February 1874, No. 1,202 :—

seven Choultries of this district with Escheat lands, five other Choultries have been completed. There are besides fifteen Musafferkanas for the accommodation of travellers which also require endowment for their proper support.

2. I have the honour to submit a list of Escheat lands selected, of which the combined assessment and rent amount to Rupees 1,202-8-4 for the maintenance of the twenty institutions which are situated in the Northern and Southern Circles of the district. The lands are all situate in the Ernad Taluq.

Enclosure No. 1.—List of Escheat lands.

Submitted for the favourable consideration of Government.

2. The Board observe that under the Local Fund Act the land will continue subject to the Road cess after it is transferred to the Chuttrums, etc., but the endowment will be sufficient even when this is taken into consideration.

3. The locality of the Chuttrums and Musafferkanas is named at the foot of the Statement. Nothing is said as to the extent of the accommodation which they afford, but this consideration has hitherto been waived in Malabar because of "the peculiar character of the country" (G. O., dated 18th May 1869, No. 1,382, Revenue Department).

No. 248. Order thereon, 30th March 1874, No. 395.

Miscellaneous.

The Government are not prepared to set aside the rules for granting endowments for Choultries in the Malabar District altogether. The Order of Government, dated 18th May 1869, No. 1,382, evidently referred to the Tambracherry Ghaut, and not to the entire district. The Board will therefore enquire into the case of each Chuttrum and make their recommendation.
