Proceedings of the Madras Government, Revenue Department,
30th March 1874.

No. 249. Read the following letter from the Chief Secretary to the Government of Bombay, to the Acting Chief Secretary to the Government of Fort St. George, dated Bombay Castle, 21st March 1874, No. 1,472:—

[illegible] Right Hon'ble [illegible] Presidency, I am to request, with the permission of His Excellency the Governor in Council, the favour of your causing them to be compared with the originals and corrected where necessary, and that certificates may be appended to them in the form prescribed in Section 76 of Act I. of 1872. Some of the manuscript copies from which these papers have been printed are already certified as true copies; but the Solicitor to Government thinks an objection may be raised about their admissibility on the ground that the certificates do not contain all the particulars required by the Section of the Evidence Act above quoted. Other manuscript copies have no original signature.

2. In some cases only extracts have been printed; but it would probably save trouble and dispute hereafter in Court if certified copies of the entire documents were made. This applies to the documents marginally specified, but not to the statements, from Nos. XI. up to XX. inclusive, in Collection No. 1, which appear to be only accompaniments, nor to No. VIII. (Collection No. 1) which is actually found as an accompaniment to "letter from Mr. Harris to the Board of Revenue, dated 27th May 1822," which is in Collection No. 2, page 15. It will also be seen that the extract from the Proceedings of the Board of Revenue, which is printed in part in Collection No. 1 (No. XXVII.), is found at page 125 (Collection No. 2) printed in full.

Papers, etc., Nos. IX., X., XXI., XXV., XXVIII., XXX., XLI., which will be found in Collection No. 1.

Also Jammabandi Report for fasli 1248 and letter from Mr. Reade to Mr. Blane No 274, dated 9th October 1847, at pages 139 and 157 in Collection No. 2.

3. It is hoped that it will be a saving of time and trouble to compare the printed copies with the originals instead of having manuscript copies taken anew. But if in any case the former course would be inconvenient from necessitating too many corrections or from other causes, the latter course may be adopted. This Government are very desirous of bringing the case to a hearing as soon as possible, and it is, therefore, requested that the certified copies be prepared in whatever way is most expeditious and forwarded as soon as is convenient.

No. 250. ORDER THEREON, 30th March 1874, No. 396.

Land Revenue, No. 8.

FORWARDED to the Board of Revenue, together with the two compilations of printed papers, with the request that they may be compared with the originals and returned as early as possible.
