*Proceedings of the Madras Government, Financial Department,
20th October 1874.*

No. 143. Read the following letter from R. W. LODWICK, Esq., Accountant-General, to the Hon. D. F. CARMICHAEL, Acting Chief Secretary to Government, Fort St. George, dated Fort St. George, 14th October 1874, No. 370:—

Resource Department.

I have the honor to state that the officer appointed to verify the currency balance at Cocanada has brought to my notice that the currency strong room there is in a very unsatisfactory state, the iron bars fixed into the old walls being easily removable. This circumstance has, I am informed, been already reported to Government by the Collector of Godavery; but, as no orders appear to have been yet passed, I request that you will be good enough to bring to the notice of His Excellency in Council the urgent necessity of making a proper strong room at Cocanada without delay to provide for the safety of the coin and notes lying there.

No. 144. ORDER THEREON, 20th October 1874, No. 1778.

The Collector's report does not appear to have been received in this department.

2. The Governor in Council sanctions the construction of a suitable room at Cocanada for the custody of the currency balance.

3. The requisite orders will be issued in the Public Works Department for having the work carried out as an emergent one.
