Read the following:—

No. 7. Proceedings of the Board of Revenue, dated 17th February 1874, No. 354.

Read the following letter from Captain W. FREETH, First Assistant Superintendent, for Superintendent, Revenue Survey, to J. GROSE, Esq., Secretary to the Board of Revenue, dated Mercara, 21st January 1874, No. 181-6.

I HAVE the honour to request that I may be informed whether the expense of the special demarcation of the Soondoor Zemindari is to be borne by the Zemindar entirely or in part; also whether any additional grant of money is to be furnished for this work, or whether funds from the Survey budget are to be set aside for the purpose.

G. O., 10th January 1874, No. 40.

SUBMITTED for the orders of Government.

2. According to the Survey Demarcation Rules, Section 24, the cost of the stones must be in these cases borne by Government. The Soondoor Zemindar must, of course, afford aid in labour, etc., as laid down by the Act XXVIII. of 1860. The Government would, in any case, thus conduct this survey of the exterior boundary when regularly dealing with the villages surrounding Soondoor, so that as the work must be done some time or other the charge is fairly debitable to the Survey budget.

No. 8. Proceedings of the Board of Revenue, dated 11th March 1874, No. 582.

Read the following letter from Colonel F. J. B. PRIESTLEY, Superintendent Revenue Survey, to J. GROSE, Esq., Secretary to the Board of Revenue, dated Chepauk, 6th March 1874, No. 587-23:—

IN acknowledging the receipt of Proceedings of the Board of Revenue, expressing their opinion while submitting to Government my letter of the 21st January 1874, that the charge on account of demarcation and survey of the Soondoor Zemindari is fairly debitable to the Survey Budget, I have the honour to represent that under Section 24 of the Survey Demarcation Rules, all station stones on boundaries of Zemindaries are supplied by Government, and that Zemindars bear half the cost of—

1. Minor marks on their boundaries.
2. Carriage and imbedding of all stones, and
3. Clearing chain lines.

2. By the retrenchment of Rupees 25,200 from the Budget allotment for 1874-75, by the sanction of increased rates of pay to certain Uncovenanted Officers involving as this charge does an additional outlay of Rupees 8,400, per annum, under the head of "Officers" and by the appointment of a Probationary Assistant Superintendent, Revenue Survey, reduction in the subordinate grades of establishment* and consequent increased cost of supervision (already about 50 per cent.) becomes absolutely necessary.

	Rs.
* Retrenched	25,200
Additional pay to Uncovenanted Civil Service Officers	8,400
Pay of Probationary Assistant ...	2,400
Total...	36,000

3. If the charge of the entire work of demarcating and surveying the Soondoor boundary be debited to Survey as proposed by the Board of Revenue, a further reduction of the establishment will be indispensable.

SUBMITTED to Government in continuation of Board's Proceedings, 17th February 1874, No. 354.

2. The cost of demarcating the boundary with the exception of that for boundary station stones must be shared between Government and the Jaghiredar in the usual way.

3. The Board regret that the Survey establishment has to be so greatly reduced.

No. 9. ORDER THEREON, 1st April 1874, No. 409.

Miscellaneous.

THE Government agree with the Board's observations as contained in paragraph 2 of their second Proceedings recorded above.
