Proceedings of the Madras Government, Revenue Department, 1st April 1874.

Read the following :—

No. 13. Proceedings of the Board of Revenue, dated 11th February 1874, No. 286.

Read the following letter from A. WEDDERBURN, Esq., Collector of Coimbatore, to J. GROSE, Esq., Secretary to the Board of Revenue, dated Erode, 9th January 1874, No. 7.

In reply to Proceedings Board of Revenue, Miscellaneous No. 8,712, dated 20th December 1873, I have the honour to state that after having made local inquiries in every taluq, except remote and thinly peopled Collegal, I find that the applications for the use of the Government stallions are so limited, being confined to five persons in the Kangaem Division of Dharapoorum Taluq, that it will be unadvisable and fruitless to raise the fees for service so as to equalize the expense.

2. I therefore recur to the suggestion in my letter of 13th December 1872, which heads the correspondence, that the horses should be tried in another district after the applications for service here have been met.

3. They might, as suggested by Mr. Sullivan in paragraph 4 of his letter and in the original plan, be transferred to the Salem District if that Collector considers a demand for their services to be probable.

A copy of G. O., 13th December 1873, No. 1,422, will be sent to the Collector of Salem, and he will be requested to state if he will take charge of the stallions, and have the experiment carried on at Oossoor or elsewhere in his district.

No. 14. Proceedings of the Board of Revenue, dated 18th March 1874, No. 616.

Read again Board's Proceedings, dated 11th February 1874, No. 286.

Read also the following letters :—

From F. PRICE, Esq., Acting Collector of Salem, to J. GROSE, Esq., Secretary to the Board of Revenue, dated Morapur, 24th February 1874, No. 51.

With reference to the Proceedings of the Board of Revenue, No. 286, dated 11th instant, I have the honour to report that I have already, on a letter received from the Collector of Coimbatore, set on foot an inquiry as to whether there would be any use in having the stallions in this district.

2. I do not think that there would. Ponies worth looking at are bred in only a few places in the district, and in the Oossoor Taluq, where the best are to be found, the mares have the advantage of stallions coming from the Mysore Sillidar Horse breed.

From A. WEDDERBURN, Esq., Collector of Coimbatore, to J. GROSE, Esq., Secretary to the Board of Revenue, dated 5th March 1874, No. 50.

I have the honour to forward an application from Dr. Shortt, offering to purchase the Pony stallion for the use of his own animals, with my recommendation that Dr. Shortt's offer may be accepted.

1 Copy of Dr. Shortt's letter, No. 1,881 of 21st February 1874.
1 Copy of the Salem Collector's letter, No. 62, of 26th February 1874.

2. I put myself in communication with the Collector of Salem, and that officer informs me, that there is little chance of the stallion being required in his district—*Vide* copy of his letter attached.

Vide also Revenue Board's Proceedings, No. 286 of 11th February 1874.

3. Rupees 300 were paid for it nearly four years ago; it is aged; rather violent in covering; and might now be worth Rupees 200 to Rupees 250.

ENCLOSURE No. 1.—Application from Dr. Shortt.

ENCLOSURE No. 2.

From F. PRICE, Esq., Acting Collector of Salem, to A. WEDDERBURN, Esq., Collector of Coimbatore, dated 26th February 1874, No. 62.

WITH reference to your letter, No. 47, dated 24th instant, I have the honour to state that I see but little chance of my being able to advocate the stallion now in your district being transferred to this; I am making inquiries, but I have but small doubt that the replies to them will be unfavourable to the project.

2. I would strongly recommend that, if Dr. Shortt offers a reasonable price for the stallion to which he alludes, it should be accepted.

(True Copy.)

(Signed) A. WEDDERBURN,
Collector.

SUBMITTED to Government with reference to G. O., dated 13th December 1873, No. 1,422.

2. The Collector of Coimbatore has reported that the fees cannot be raised (Board's Proceedings, 11th February 1874, No. 286) and the Collector of Salem states that the stallions would be useless in his district. The horse "Sultan" is dead, and the Board recommend that "Rajah" be now sold and the experiment given up. It is useless to continue it on so small a scale. Dr. Shortt offers to purchase "Rajah" at a reasonable price. The Collector considers from 200 to 250 Rupees such a price.

No. 15. ORDER THEREON, 1st April 1874, No. 411.

Miscellaneous.

THE Government concur with the Board.

2. The pony may be sold to Dr. Shortt and the experiment dropped for the present.
